RECAP

FALL POWWOW

The weekend of September 13-15th was a great celebration of food, fun and fellowship enjoyed by all Yustaga members attending our annual Pow Wow. Our Vice Chiefs under the guidance of Lodge Chief Zachary Lambert prepared and organized a great group of training sessions in the morning. Unfortunately, one of our keynote sessions on Beekeeping was unable to participate due to last minute circumstances beyond their control. Hopefully, we can incorporate that into a future lodge function. Friday evening's games and Saturday's activities were enjoyed by all participating. The human foosball tournament was entertaining to watch with the captains being our lodge chief and vice chiefs. Brotherhood training was conducted Saturday morning and we had over 30 new Brotherhood members Saturday evening after a great Brotherhood ceremony. For our members that like to provide cheerful service during lodge events, we had several members work on the walking trail kiosks that will be placed around the lake. We conducted lodge leadership elections for the next year after lunch on Saturday with Pryce Murphy being selected as our Lodge Chief for 2020. Saturday evening

after dinner we had a Vigil call-out ceremony for our 2019 candidates that was exciting for all attending. Everyone had a great weekend and we all eagerly look forward to celebrating a great year at our annual banquet in November.

CHAPTER REPORTS

Choctaw Chapter

Since our last chapter report, everyone had an amazing time swimming and hanging out at our chapter social. Only 20 people showed up. They all brought finger foods which we all enjoyed. Looking forward to our next big event the lodge banquet.

Woapalanne Chapter

We are currently planning for the Lodge Banquet. We are finalizing a location at the moment. We are thinking of having LLD the morning before the evening of the banquet. We are planning to have it mardi gras themed which means cajun and Louisiana style food. Such as red beans and rice, and a lot more.

Oschambos

In the past few months, we had discussed plans for fall powwow and about certain leadership roles within the chapter. Can't wait for the lodge banquet this year.

Appalachee

Our chapter had a great time at fall powwow. We have planned chapter events for the rest of the year including a Haunted Hayride in October. We really can't wait for the lodge banquet.

385 Outlook

THE CHIEF'S MINUTE

This fall pow wow was a hit. The Vice Chiefs did an excellent job Friday night when I was not here. They ran into an issue with the game console for the tournament, but they pulled through and found a solution to the problem. I am extremely glad that I have had a team that I could rely on this year. Noah pulled together some excellent classes for this weekend, RIP the bees. All of the scouts had a great time with all of the games that Pryce planned. Also, the service project I think was an excellent addition to the weekend, thanks Gage. It was a challenging year hoping into office late in the game, but I think we did the best job we could, and I think that's amazing. Shout out to Mike and Jerry, thank you so much for guiding me this year, I could not have done it without you all. This next year, I know Pryce is going to do a great job as Lodge Chief, and I'm excited to keep working with you all.

THE ADVISER'S BRIEF

Fellow Arrowmen, we are putting the final touches on a very successful year for Yustaga Lodge and planning for an exciting 2020. At this September's Fall Pow Wow, we had great training sessions offered and many came away with a greater understanding of the Order of the Arrow, it's history and all it has to offer in aspects of personal growth, high adventure, leadership and fantastic fellowship. Our Vice Chiefs did a great job of coordinating trainings, the program and service opportunities in making this a wonderful weekend experience for all attending. We had over thirty Ordeal members seal their Brotherhood at Fall Pow Wow with a fantastic Brotherhood Ceremony Saturday afternoon. Saturday evening after dinner we recognized our 2019 Vigil candidates and even conducted a Vigil experience for one candidate not able to participate in our October Vigil weekend. Also, on Saturday of Fall Pow Wow we had our annual elections for Lodge Leadership going forward for 2020. Pryce Murphy was elected to be our new Lodge Chief, and Noah Owens, Chandler Hagan, Zachary Lambert and James Welch were elected to Vice Chief positions. Chapter leadership elections were also conducted with excellent chapter leadership teams being selected for the new year. Congratulations to all our new leadership teams, and we all look forward to the fruits of your planning and preparation for a great year going forward in 2020. Our Vigil weekend will be held October 19-20th for confirmation of our Vigil Candidates (Aaron Cooper, Zachary Lambert, Pryce Murphy, Alex Wright, Greg Babiak, Jon Coleman, Winnie Reynolds and Ryan Ripley). All new Vigil members will be recognized at banquet with their new Leni Lenape Vigil names to recite for those attending. In preparing our leadership team for a successful 2020, our lodge is having our annual LLD (Lodge Leadership Development) training on Saturday, November 2nd at Louisiana Lunchbox in Pensacola beginning at 9:00p.m. All Lodge Leadership and Chapter Leadership are required to attend. We will finish at 4:30pm as we transition to our next lodge wide event being our annual Lodge Banquet to also be held on Saturday, November 2nd at Louisiana Lunchbox hosted by Woapalanne Chapter in Pensacola. Festivities will begin at 6:00p.m. following check-in beginning at 5:00p.m. I encourage all members to come out and celebrating a great 2019 maintaining the "Best All Around Lodge" with your fellow arrowmen that continue to make our lodge truly special. Deadline for registration for Banquet is October 25th. I look forward to seeing everyone at Banquet and our Leadership team for the LLD on November 2nd in Pensacola.
