2017 RECAP

The Banquet was a great time for all. Please give Mr. Hagan a personal thank you and the Oschambos Chapter for all their hard work in making this such a success. Congratulations to all Awardees and welcome to all our new Vigils.

Oschambos

At Fall Pow Wow, Oschambos took home Top Chapter and was victorious in six out of eight events. Oschambos won the title of Best Trained Chapter and will be the first plate on the new plaque. They also did an excellent job putting together the Lodge Banquet for this year.

Choctaw

Choctaw Chapter had their November meeting at the Annual Thunderbird Pow Wow to enjoy and learn Native American dances and drums. Their end of year Christmas gathering with over 20 members in attendance was enjoyed by all as were the gifts. They also completed another service project to benefit the residents of Bob Hope Village in December. (Senior Home for Military Widows).

Woapalanne

Congratulations to Mr. Sams. "It was great to see Mr. Mickey Sams receive the Founders award during the lodge banquet." His years of service began in 1958. This year's Yustaga Lodge banquet was memorable! Held at the Brewton Civic Center in Brewton, Alabama. This event included lodge members from Northwest Florida and Southern Alabama. The meal was incredible and the speakers' messages were awesome. The special guest speaker was a retired U.S. Navy SEAL. Several awards were presented to lodge members. Recognition was given to the newest lodge leaders as well as honoring last year's leadership.

Appalachee

Had several members of the Chapter attend 2017 National Jamboree. Appalachee Chapter is already preparing for the 2018 Lodge Banquet. Improved monthly attendance for the last 3 months of the year. Had a Christmas party in December with the youth conducting a Secret Santa gift exchange that all members enjoyed with great food and refreshments. We are welcoming our new Chapter Chief, Noah Owens who has big and exciting ideas for 2018.

THE CHIEF'S MINUTE

I am excited and honored to be your new Chief. My goals are to lead the Lodge with its involvement in improving STSR, get our members active in our events including chapter meetings and to form our Lodge into a stronger Brotherhood. We also will continue to meet and exceed the high standards and traditions of our Section and Region. This will be accomplished through training and involvement with the Lodge. I want to thank all the Advisers and Chairmen for their continued service. I also would like to thank each and every member for their dedicated service to the Yustaga Lodge.

Jerry Hand, Lodge Chief

THE ADVISER'S BRIEF

I challenge all the new, old, active and inactive members to be involved this year since there are many things happening.
